### Product description

## RACENT 1:16 RC Drift Car SC16A06 brushed - orange

The RTR version of the model includes all the necessary accessories for driving. You must purchase 4 AA batteries to power the transmitter yourself.

[ High-Speed 4WD RC Drift Car ] Enjoy the thrill of speed with our 4wd RC drift car, reaching up to 18km/h. Perfect for indoor/outdoor racing adventures. Maneuver with perfect handling- forward, backward, left/right turn, & proportional acceleration. Its shell reduces impact damage during driving & high-quality thick tires prevent tire wear.

[ Versatile Mini Drift RC Car ] Race at high speed or drift with ease with our replaceable tires. Equipped with LED lights & spray LED lights, it flashes gorgeously when powered on. The spray button on the remote control handle makes the rear of the car emit cool and gorgeous water mist, making the remote control experience more enjoyable.

[ LED Light & Longer Playing Time ] Our drift RC car features an LED light for night races. With 2 rechargeable batteries, you can enjoy endless fun and more than 40 minutes of playing time. Its 2.4Ghz high frequency allows for a distance range of 145 inches (35 meters) and allows multiple people to play without interference.

[ Perfect Gift for Kids & Adults ] Our remote control car is an ideal gift for boys, girls, and adults. It provides an exciting drift racing experience and hours of entertainment. With 4 speed racing tires and 4 drift tires, it offers better handling and perfect agility on smooth boards, tiles, and tracks.

[ High-Quality Drifting RC Cars ] Our RC cars provide a realistic racing experience. Designed with top-tier materials for durability and long-lasting performance, they are a perfect gift for Christmas, birthdays, or other special occasions. Choose from 4 attributes and experience the perfect combination of speed and control.
