Product description

RACENT Drift Pickup Truck 4WD 1/14 753B2 - Brushed / Blue

The RTR version model includes all the necessary accessories for riding. You will need to purchase 4 AA sticks to power the transmitter.

Description:

1/14 Scale 4x4 RC race cars for Kids and Adults, great moments and outdoor funs

This rc drifting car has a professional design, the smart remote controller will bring you a wonderful experience. The 2.4GHz frequency non-interference remote controller makes the rc car always ready to run, allows multiple players to have a race with their car at the same time. Great drifting cars for Christmas, Birthday, Halloween and other festival gifts.

□HIGH SPEED REMOTE CONTROL PICKUP TRUCK□- Equipped with the powerful motor, this 4WD RC car can reach speed up to 25km/H, which makes the RC pickup car race faster than others.

□ANTI-INTERFERENCE CONTROL TOY CAR□-The non-interference remote controller with 2.4GHz frequency makes the car always ready to run, allows multiple users to play at the same time.

□4 WHEEL DRIVE SYSTEM ALL TERRAIN DRIFT RC CAR□- This 4 wheel-drive system high speed RC drift racing car is equipped with high quality and durable components, allows the car to conquer different terrains, to bring you incredible driving experience.

□STRONG MATERIAL FLEXIBLE ANTI COLLISION SHELL□- High quality PVC material shell, the super anti-throw ability allows it to go through on-road, off-road and any rugged road, with enough flexibility to prevent the car from crash broken in high speed RC racing game.

□2.4GHZ NO DELAY RTR REMOTE CONTROLLER□- The box comes with everything needed to get the car started, not only the car, transmitter, charger, spare parts but also includes the battery for transmitter. It is fully assembly to get the car run within 1 minutes out of box. Portable package easy to be carried with wherever you go.
