Product description

Volantex RC Arrobot Lumen S Brushless 35+MPH Full Proportional Boat - 797-6 RTR - red

The RTR version of the boat includes all the necessary accessories for sailing. You must buy 4 AA batteries to power the transmitter yourself.

□HIGH SPEED RC BOATS WITH BRUSHLESS MOTOR□The Arrobot Lumen S is propelled by a powerful water-cooled brushless motor, designed for enthusiasts seeking exhilarating speeds up to 35+MPH. This motor, coupled with an innovative low-resistance hull, ensures stable and swift racing. The full-throttle control allows for precise speed adjustments, providing a responsive and engaging experience that hobbyists crave. □MULT-FUNCTION REMOTE CONTROL BOAT□Auto self-righting features get the RC racing boat back to the game quickly while the boat is capsizing. The special reverse-function will keep you stay away of obstacle, just need to reverse it back to route. Have more fun with the remote control watercraft. □HAVE MORE FUN WITH THE BRUSHLESS RC BOATS & SHIPS□High waterproof system with only a single cover can keep the water out of fast rc boat. 2.4Ghz radio-controlled distance of over 656ft, good interference ability, allows more than 20 remote control boats to be raced at the same time. □DURABILITY AND LONGEVITY□ Our racing boat is constructed with high-quality materials, including an upgraded anti-collision silicone head for enhanced durability. Built to withstand harsh conditions and the rigors of extreme racing, it ensures long-lasting performance. A low battery and weak signal alarm system keeps you informed, ensuring a pleasant and uninterrupted water journey. □BEST FAST RC BOATS FOR ADULTS□No matter your skill level, features everything experts and beginners alike want in Arrobot lumen S. Fully assembled, no installation required. Include all parts needed to get the RC racing boat started. RTR version will make it portable with you wherever you go.
