Super-fast for great fun—speeds up to 40 km/h
Water-cooling system included
Excellent waterproof design
RTR (Ready-to-Run)—no assembly required
Durable, smooth ABS molded hull

Description:
Take your RC boating experience to the next level with the high-performance VOLANTEXRC Arrobolt SR40. Powered by an efficient, water-cooled brushless motor system, this racing boat flies across lakes and pools at speeds of up to 25 MPH. Built specifically to tackle common beginner frustrations, it features a self-righting hull that recovers instantly from flips, a reverse function to back out of tight spots, and upgraded double-capacity 2000mAh batteries for double the water time.
